## ADVANCED ENDODONTIC PRINCIPLES

DAACE Advanced Endo Program is designed by the faculty from the University at Buffalo School of Dentistry and Academy of Advanced Endodontics, India (AAE - India) customized for Indian clinicians. This program was designed to give the participants a high level of clinical confidence with active faculty interaction that will enable them to master Endodontic procedures. This program includes both didactic & hands-on components. A pre-requisite 'Basic Principles' course offered by Academy of Advanced Endodontics is mandatory prior to enrolment in this program. The program will be conducted at the University at Buffalo campus. A Certificate of Completion will be presented after finishing the module.
